February 2008

TO: All Hiring Clubs of Curborough Sprint Course

For the attention of the Club Chief Marshal/Marshal Co-Ordinator

We would like to inform you that the Shenstone & District Car Club is organising a Novice Marshals Speed Event Training Day at Barton under Needwood village hall and Curborough Sprint Course on Sunday 1st June 2008.

The day will run from approximately 9.45am through to approximately 3.30pm, and will cover fire theory, personal protection, personal safety, basic incident handling, treatment of spillages (oil not blood!!) and equipment on posts. Lunch and drinks will be provided.

This is aimed at NOVICE marshals, which will include anyone who has not yet marshalled at all, has little experience (less than 2 years) or someone who has marshalled for a while for their club but has not had any previous training on the job.

Spaces are limited, so all attendees need to complete an application form and send it back to me ASAP.

Applications can also be made online at www.curborough.co.uk.

The event will be insured under the MSA Permit for Training Days, and training will take place by or under supervision of an MSA Licenced Trainer.
